The Georgia Red Storm is an AAU Basketball organization with a nonprofit, 501c3 tax-exempt status. One of our primary objectives is to provide an environment, which will enable our student-athletes to achieve their maximum potential, both on and off the court. The value of such a program becomes evident when considering the many complex issues facing our youth today. It is a proven fact that children who participate in sports are more likely to stay in school and attend college, while becoming responsible and productive adults in their communities.

This year, the Georgia Red Storm will have 8 teams competing in four age groups ranging from fourth to eighth grade. Our teams compete in local, regional, and national AAU tournaments. Coaches, parents, and friends work together to provide the funds that are required during the season. Unfortunately, these efforts often times fall short. Therefore, we are asking for your support in helping these student-athletes who may not have the financial means to participate, and pursue their dreams of going to college while playing the game of basketball. Donated funds will be used to help pay for equipment, uniforms, gym rental fees, and tournament fees.

As an organization, we will give back to the community, so we plan to offer a partial or full scholarship, for (1) player from each team, to assist families that are in need. These scholarships will be based on hardship. The Georgia Red Storm Board of Directors will review all documentation and make the decision of which players will receive each scholarship. In addition to scholarships, awards will be given to the player that maintains the highest GPA, coupled with the highest level of consistency on the court. Awards are presented in hopes to raise our student-athlete's awareness of the importance of education, and consistency on the court.

As a sponsor, you will receive recognition on the Georgia Red Storm's website ([www.garedstorm.org](http://www.garedstorm.org)), a listing on GA Red Storm's Basketball Program brochures, and literature. In addition, depending on your level of sponsorship, you will receive team photos, plaques and most importantly the unique opportunity to have Georgia Red Storm team awards named in honor of your sponsorship.
